Our Weekly Meeting on the 21st of November 2018

Wednesday the 21st of November's weekly meeting was another healthy size with 35 plus in attendance for Rotary Club of Jumeirah. Melda Akin opened the floor early in the evening with her engaging presentation entitled "Artificial Intelligence. Are you ready for Exponential Change?"

Melda Akin coded the first line when she was eleven years old, decided to be a computer scientist when she was twelve. Graduated from Computer Engineering, and Masters in Intelligent Engineering Systems with a high honorary degree, with the full scholarship. She served as a lecturer in Computer Engineering and Software Engineering Departments. Worked as a software developer, system analyst, project manager, director and a management member in international companies. She set up her own company "Numoit" in February 2017 to serve digital transformation and growth management consultancy, separated Digital Transformation and Artificial Intelligence service as a "Dimension14" in July 2018. She leads Woman in Science chapter in Turkey, mentor for Engineering Students voluntarily and management member in the CBD initiative whose mission is to avoid child abuse.
