### Our Weekly Meeting on the 27<sup>th</sup> of November 2018

*Source: Rotary Club of Dubai (Nov Bulletin)*

On November the 27th, 2018 the Association of Rotary Clubs of UAE (Dubai-Jumeirah-Cosmopolitan) join for the first time at Jumeirah Creekside Hotel in Dubai to support the American University of Sharjah Corporate Appreciation Dinner.

The annual Corporate Appreciation Dinner is to recognize and celebrate the contributions of the many active corporate supporters of American University of Sharjah (AUS). The annual event saw the attendance of senior officials from some of the leading international and regional corporate entities and explored opportunities for further collaboration between the corporate world and AUS.

Commemorating the occasion, Charles A. Diab, Executive Director of Advancement and Alumni Affairs, thanked all those present for their generous support to the university over the past year.

The dinner, which was held with the support of The Rotary Club of Dubai, was attended by more than 200 guests, including around 30 Rotarians. Speaking on the occasion, Musa Al-Sadoon, Past President of Rotary Jumeirah 2017-2018, said: "Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem solvers who see a world where people unite and take action to create lasting positive change – across the globe, in our communities, and in ourselves. We have three Rotary clubs in Dubai and hope to start more clubs in Dubai and other emirates very soon. Our motto is 'Service Above Self' and, therefore, we are proud to support local and international community projects such as the Senses Center in Dubai that looks after people of determination with daycare and residential services."

The evening included an awards ceremony wherein corporate partners were recognized for their contributions and special relationship with AUS.
